AN UPDATE FROM THE PASTOR SEARCH COMMITTEE

It has been a busy week for your search committee! We have practiced listening to and evaluating a sample sermon and have begun detailed preparations for interviewing candidates. We anticipate receiving a list of candidates from CHC in the next few weeks! As noted before, out of consideration for the candidates, their families, and their current places of service, we will not be sharing any information with you about the candidates - the number, genders, names, or places of service. However, we will keep you informed on our overall progress and continue to covet your prayers.

This week, please pray for each candidate that is considering a call to Earle Street Baptist Church, that God's work in their lives would be evident and exciting.

Phillipians 3:14 "The goal I pursue is the prize of God's upward call in Christ Jesus."

DEACON OF THE WEEK

Dana Collier is our deacon of the week. Dana has been a member since 1993. She and her husband, Neil, were married at Earle Street the same year. They are delighted that their daughter, son-in-law, and grandson, Elizabeth, Johnny and Andrew Rhodes, live in downtown Greenville. Dana has served as a church office administrator/ministry assistant for 30 years. She loves her NOP Sunday School class and singing second soprano on the back row of the choir. She enjoys music, theater, football, shopping, traveling, and meeting new people.

2026 LOOK UP LODGE

Thank you all so very much for praying for us at Look Up Lodge! We were overwhelmed by the many ways you cared for us- from cards to our end of the week party- God blessed us with a great week! Looking ahead, continue to pray for our mission team preparing to serve in Ecuador.

HELP CONSERVE ENERGY

AROUND OUR CAMPUS

turn off the lights

Last one in the room?
Turn off the lights! This
simple task helps
conserve the most
resources.

pull the shades

Does your classroom
have shades or blinds?
Close them when you
leave the room. This will
help keep the rooms
cooler during the
summer months.

thermostats

Our thermostats are set
and controlled to be the
most efficient for our HVAC
systems. Please do not
change the settings. Dress
in layers or bring a jacket if
you are warm or cool.

unplug idle devices

Using a computer in
your classroom or
coffee pot? Unplug
these items when
class concludes.
