Do you have a favorite hymn? If you do, let me know what it is. I am planning to have a hymn sing/hymn stories night on Wednesday, July 22, at 6:00 pm. We will sing and learn about the hymns of our faith, and I would like it to be hymns that mean something to you. I only ask that you give me the hymn titles in writing—text, email, or written on a piece of paper. If you just tell me, I will not remember!

NEW CHURCH DIRECTORY

The Connections Team invites and encourages all church families to participate in the Realm Church Online Directory. Get connected, recognize church family from their pictures, and give the new pastor help to recognize each person at ESBC more quickly and easily.

We are excited to report that 86 families had their photos taken for our directory! If you missed having your photo taken we have 2 more opportunities. Photos will be taken in Room 206 before Sunday School (8:45-9:15am) or after Worship until 12:15 pm on **Sunday, August 2nd**. You may also have your photo taken on **Wednesday, August 5th** before or after Wednesday activities. This is the last day to have your photo taken. You may also stop by the church office during the week to have your photo taken.

You can still be included in the directory at any time. This deadline is for the first edition of the printed directory. Online users are encouraged to use the online directory only to keep printing costs down. Print directories will be available Fall of 2026. The Connections Team will monitor new editions and offer reprints when necessary. If you have any questions, please contact Kathy Turner at turnerkathy@hotmail.com.

BLESSING OF THE BACKPACKS
Sunday, August 9th

All students and teachers mark your calendars for Sunday, August 9th. Bring your backpacks and teacher bags for a special time of prayer over the new school year.

YOUTH FUNDAY

Our youth had a great time at the Shores of Asbury on Thursday! Our next funday is August 1. We will be tubing on the Green River. See Lucy for more details!

PERIOD PROJECT BOX

On average, a woman who menstruates spends between \$120 and \$260 per year on basic (store-brand) single-use menstrual products like pads and tampons. This often exceeds \$500 though for those who have special requirements. The lack of access to menstrual health products is often a misunderstood or an utterly unknown issue in the United States. Menstrual health products are necessities but are not available in many schools, shelters, and communities to menstruators and students in need. The Period Project works with local organizations to create an understanding of the pressing issue and also donates supplies to those in need. There is a collection box in the Welcome Center for new and individually wrapped items. Please see Nancy McCarrell for more information.

FIRST GRADE BIBLE PRESENTATION
Sunday, August 16th

Believe it or not, backpacks are about to come out of hiding, pencils will soon be sharpened, and the first day of school will be here before we know it! That also means one of our favorite Earle Street traditions is just around the corner—placing God’s Word into the hands of our rising first graders at the Bible Presentation Sunday August 16.

We want to be sure every child receives this special gift. If you have a rising first grader, or if you know a child who doesn't have a church family and would be blessed by receiving a Bible, please email children@esbcgreenville.org with the child's name, parent's name, and contact information. Help us make sure no little hearts miss out on this treasured milestone!"

COLUMBARIUM SURVEY

In order to determine the interest in purchasing a niche in an Earle Street Baptist Church Columbarium, we are asking for you to reply to this survey.

The columbarium is reserved for current and former members and staff of ESBC. Qualifying purchaser can also purchase niches for immediate family. A niche would cost \$5,000 and will hold two urns.

If you are willing to purchase a niche pre-construction, please use the link below to fill out the survey or call the church office. Payment would not be required unless the project is approved by the congregation. This information will allow the Columbarium Committee to determine the church’s cost to move forward with construction.
