You Are Never Alone by Max Lucado

Ladies of All Ages

Leader: Kathy Turner // Room 203

Join us as we dive into the Gospel of John guided by Max Lucado's *You Are Never Alone*. We will be studying the miracles performed by Jesus and the message that those miracles have for our lives beyond the actions themselves.

Each person will be asked to purchase their own book. Please take note that Max Lucado has a book by the same name but we will be using the Bible study. Please be sure that the copy you purchase says "Study Guide" on the front cover. For help, call the church office.

so a friend sharpens a friend."
(Proverbs 27:17)
